PARENT ASSISTANT ACCESS INFORMATION

Parent Assistant is a secure, web-based student access information application for parents, guardians and students. Access and data is secure in that users can view only that information for which they are authorized. In order to create an account or add a student, you will need the following information.

Parent Name, Student Name, Student Date of Birth, GTID Number, GA testing ID is printed on you child's progress report, DeKalb 7 digit student number. You will need this information for each child you wish to add to your account. Access PASS (Parent and Student Access) page at: <http://eportal.dekalb.k12.ga.us/default.aspx>.

Click Parent & Student Access, create a new account or manage existing account if you have already registered as a parent last year. Proceed with registration. For assistance or questions with Parent Registration or Parent Assistant (PA), please submit your request via the PA help form found on the PA website to: pa_pilot@fc.dekalb.k12.ga.us.

Parents please become familiar with the resources and websites available to use at home with your child.

Read every day for at least 15 minutes
